

Details & rules of the Van Cafe Oasis:

- The Oasis has a shower, two bathrooms, a sink, microwave and an outside hose.
- The building is part of the Van Cafe offices and warehouse. We have working hours from 8am-5pm M-F. You may catch us mingling, but not for too long as we strive to get every order out the door the same day it's placed and we have to keep groovin' to make that happen.
- Please respect the space and do not go through employee-only doors.
- This is a shared space (with other travelers, too!). We will send you a link via email to schedule your visit, we have a maximum of two parties at a time.
- The Oasis is deep-cleaned on a regular basis but you must do your part to keep it clean and safe. We've provided sanitizing wipes to clean the surfaces you touch. It only takes a moment of thoughtfulness to keep yourself and others healthy!
- No pets in the Oasis (it just gets hairy!).
- Bring your own toiletries.
- Please do not prop open the door at anytime.
- Leave No Trace: we are in Colorado, you know! Please leave it as you found it, don't steal anything, clean up after yourself (we will email you our COVID-19 precautions and cleaning instructions), be good neighbors.
- We are in an industrial space and near a number of resources for people without/or in transition with their housing. Do not leave valuables out or your doors unlocked if you are here after business hours (and safety precautions are just good to follow, kids).
- ENJOY!
- Oh - and sign our guest book on the table!
